LODGESONS
PUTTING **YOU** IN CONTROL

Why Choose Lodgesons?

Lodgesons are a market leading manufacturer of wireless keypad spinners, selling across Australia & worldwide. We offer the highest quality systems available on the market and are the installers’ choice for offering solutions that are easy to install and, in many cases, simply plug-in, minimising damage to the vehicle.

All our products are manufactured in the UK and meet the highest standards in terms of regulatory approval.

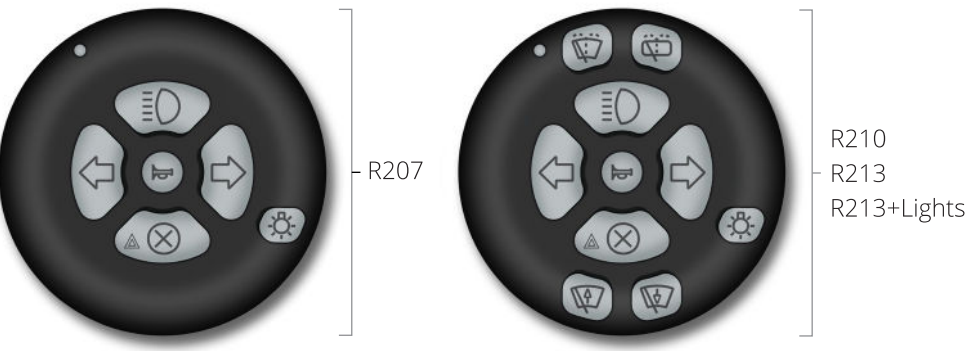

- Choice of quick release grips - lollipop or steering ball
- Ergonomic design & soft touch for maximum driver comfort
- Self-cancelling indicators available on most vehicles
- Keypad illumination for night-time driving
- Long lasting battery
- Vehicle controls will operate as normal when keypad is not in use

Lodgesons R200 Wireless Keypad Spinners

Our multi-function R200 spinners enable you to safely steer the car whilst operating the secondary functions (e.g. indicators and wipers) with just one hand. Simply pressing a button activates the required function.

The keypad will control the functions in the same way as your car’s own controls and therefore functions may vary slightly from car to car and to those listed below.

What the industry is saying...

“Quality, functionality, backup and technical support, in a word, excellent! Lodgesons are leaders in the market. With well over 1000 very happy users, why settle for anything less?”

Troy Rowe, Freedom Motors Australia, WA

“Lodgesons products work well for many of our clients and have proven to be a suitable solution with our range of Fadiel hand controls. The guys at Lodgesons have always been great with support and hence why their products are popular amongst installers.”

Paul Crake, Total Ability, NSW

“The Lodgesons products have long been a favourite of our Driving Instructors, Occupational Therapists and Clients. We love that Lodgesons has a choice of spinner knob grips and keypad options to suit the individual. The equipment is easy to use and always reliable. The quick-release mounts are sturdy and have a sleek design on the steering wheel. We love working with Lodgesons products.”

Andrew Browton, Indigo (Formerly ILC WA), WA
